KEY FEATURES

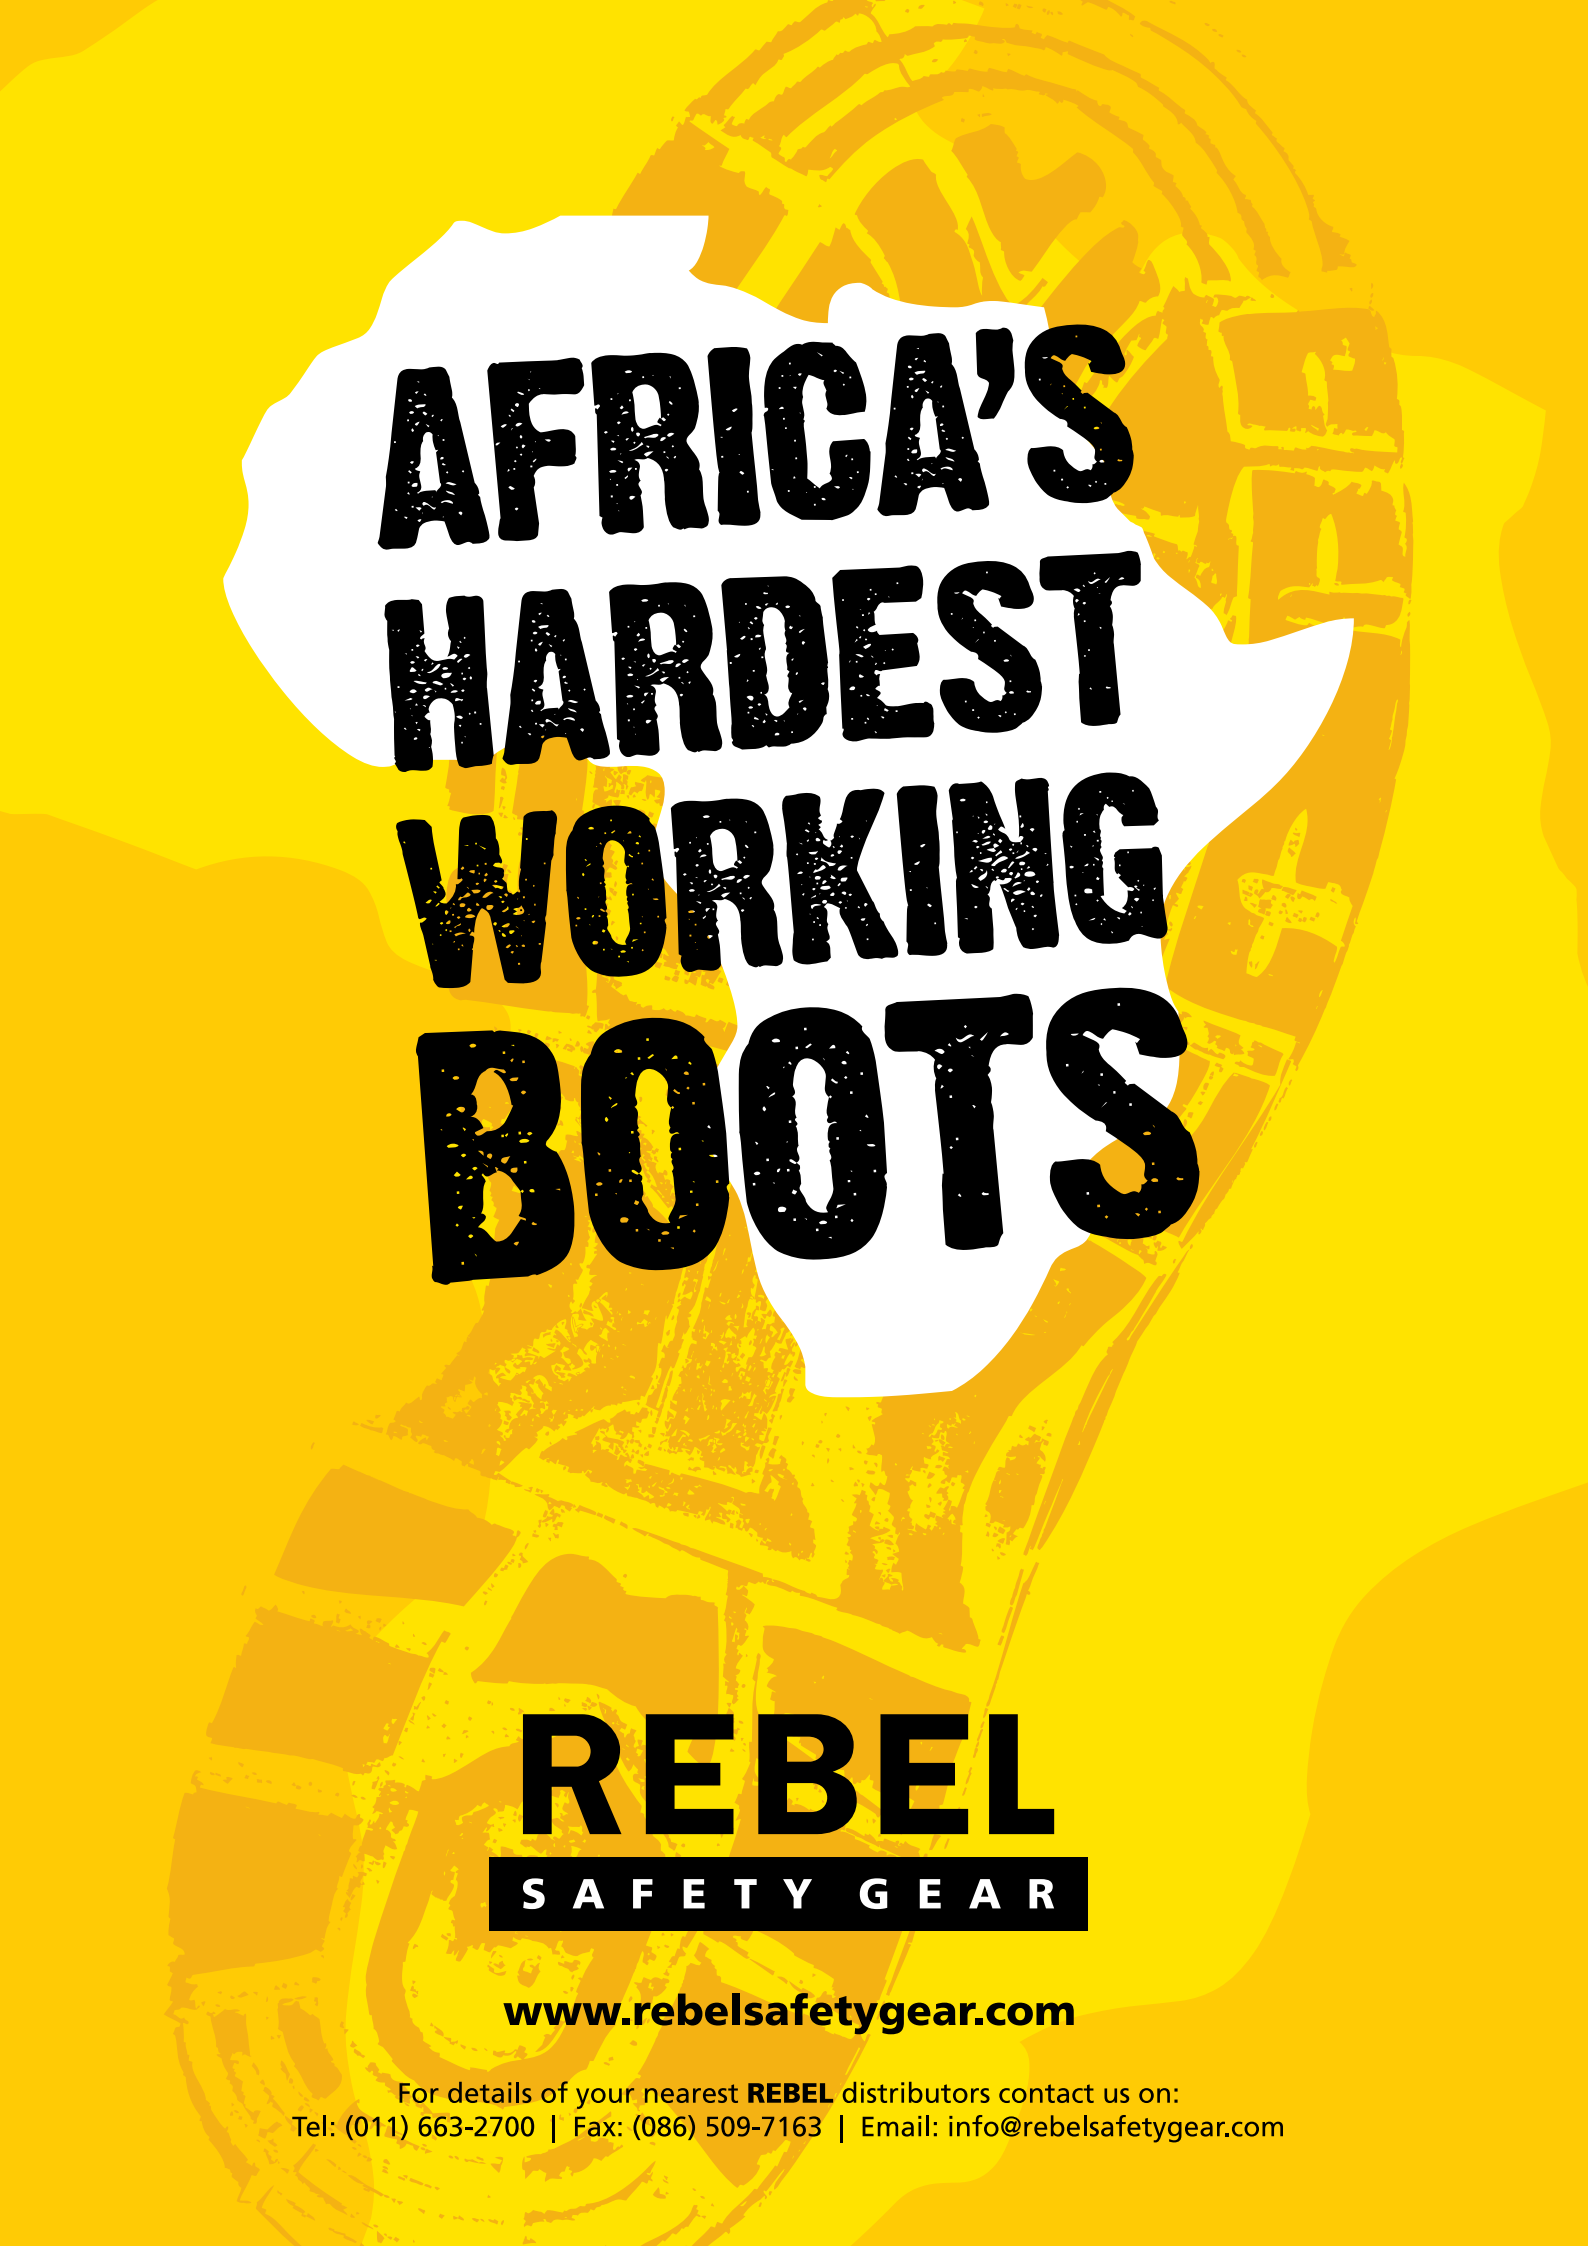

10 GOOD REASONS TO WEAR REBEL SAFETYBOOTS

Our feet are a marvel of mother nature's engineering; strong, flexible and functional yet easily injured without the adequate protection. Today's industrial working environment demands a lot from our feet and accidents like falling or rolling objects are always around the corner.

REBEL Workboots are made from the highest quality raw materials making them comfortable, flexible and stylish, while still providing world class safety. Our workboots now carry both the international **ISO 20345:2011** safety certification and the local **SABS** stamp of approval.

Wear our REBEL Workboots with confidence, because when it comes to safety - **WE DO NOT COMPROMISE!**

AFRICA'S HARDEST WORKING BOOTS
